

REPORT ON OLYMPIC DAY RUN 2022

Nagaland Olympic Association

Foreword

Honorable Chief Minister Shri Neiphiu Rio's Message

"I congratulate the Nagaland Olympic Association and all its members for making this day a successful reality. Each year, the pillar of the Olympic Day focuses on a different theme that will serve as a common global thread. 2022's theme celebrates the power of sport to bring people together in peace: a call to action for people to move together, up to and during Olympic Day, to show their united support for a peaceful world."

Today, the citizens of Nagaland join the global community in commemorating the Olympic Day with our own Olympic Day Run.

I wish the International Olympic Day all success. May Sport continue to unite the people of the world and may this platform celebrate humanity as a whole."

Kuknalim. Jai Hind.

Secretary General Mr. Abu Metha's Message

"Nagaland is a contributing member of the Indian Olympic fraternity. Today the ambition of the Nagaland Olympic Association is to follow the Olympic Principles of Citrus, Altius, Fortius. The ambition to run faster to get stronger, to jump higher. Naga people must come together under the spirit through the platform of sport. Nagaland Olympic Association want to bring all sections of Nagas through the platform of sports. Strengthen the cause of unity and oneness. Let us use sports to celebrate the exuberance, the energy and the vibrancy of Naga youth."

The Event Day (25th June 2022):

On the 25th June 2022, despite the cold weather, fog and rain, it did not stop the determined participants coming from various part of Nagaland to reached the venue on time.

The program started with distribution of Bibs numbers and Refreshments to the participants from 08:30 am onwards. Despite the rain, the program went ahead as scheduled.

Due to the large number of participants in 1500m Men Category (158 participants), it was divided into three groups, and the winners were decided based on timings from the three groups.

Technical Officials distributing Bibs number to participants
